

Who are Josephite Associates?

Josephite Associates are part of the Josephite Family united in friendship, mutual support, prayer and involvement in the service of God's people.

They are women and men, married or single, who desire to explore with the Sisters what it means to be a follower of Christ in the world today, and commit themselves to witness to that, by living faithfully the way of life to which they have been called.

What is the purpose of Josephite Associates?

- *to participate in the life and mission of the Church*
- *for mutual enrichment and support in prayer and service*
- *to share our gifts in a spirit of love, simplicity, homeliness and generosity.*
- *To build up a spirit of communion in the unity of the Body of Christ.*
