
Students' Art Award Travelling Exhibition 2006/7

The Mary MacKillop Place Museum Students' Art Award has given school students from all over Australia the opportunity to display their artistic skills through a piece of artwork that reflects the spirit of Mary MacKillop in the Australian Outback.

The Museum would like to thank all participating students and their teachers for helping to make this Award so successful. We received many wonderful entries and were inspired by the response, so many students clearly reflected the true spirit of Mary MacKillop in their work. Award winners will be notified in writing via their schools within the next two weeks. Selected artworks will be part of a national travelling exhibition during 2006/7.
