**JOSEPHITE COMPANIONS WEBINAR**

Please keep Saturday 4<sup>th</sup> September free as we explore our original theme of “**Be Courageous and Full of Hope**” through some input and discussions online. We are hoping that Sr Monica Cavanagh, Congregational Leader, will be a key speaker at this time. We are aware that many more of us have become more ‘technology literate’ through our Covid lockdowns so we are excited and hoping that many will be able to find a way to access our proposed mode of Conferencing.

## ZOOM GROUPS HAVE BEGUN:

The Josephite Companions Administration handbook states that “being connected to a group is a key component of being a Josephite Companion. The groups provide a forum for sharing and supporting one another. Because of distance, being part of a group for some Companions may involve being linked by telephone or social media in a way that enables them to have a sense of belonging to a cluster that provides support and companionship.” This is essentially what we are trying to provide in the Zoom groups.

We had a small beginning last week when 5 of us gathered on zoom. We shared our stories and prayed together. We talked about the charism in our lives and the new symbol for the Josephite Companions. We felt the friendship between us and talked over some possibilities for other such occasions.

## A PROJECT SOME PEOPLE MAY LIKE TO SUPPORT

### PINK SHOES INTO THE VATICAN PROJECT SUNDAY 19<sup>TH</sup> SEPTEMBER 2021 WOMEN'S SUFFRAGE DAY AOTEAROA

**Join the campaign for gender equality in the  
Catholic Church**

We are planning a major action for Suffrage Day this year to highlight the fact that while women can hold the highest offices in Aotearoa NZ, we still can't have full membership in the Catholic Church!

It's called Pink Shoes into the Vatican. We are going to make a trail of shoes from the Suffrage memorial

steps in Khartoum Place to the door of St Patrick's Cathedral, Auckland around the time of the Mass.

Each pair of old shoes will carry a label with the christian name of the owner and a record of her work for the church. She wore them out in service BUT is still not able to participate equally in governance and leadership of the church.

Our aim is to keep the justice conversation alive in NZ and encourage women to be involved.

PLEASE consider sending us a pair of your old shoes and please encourage other women to do the same.

AND please send them in now! This exercise is going to take a lot of organisation and we would love to get ready ASAP.

Please attach a tag with your first name and a line or two about YOU and your journey with the Church. You do not have to be a practising Catholic to participate. We need to receive the shoes by 31 August 2021 to be included in our project.

Put the shoes and their tag into a Postal Bag addressed to: Pink Shoes Into The Vatican Project, 449 Ruakura Rd, Newstead, HAMILTON 3286.

We will continue to keep you updated with emails and our website also has information: <https://bethechangecatholicchurchaotearoa.wordpress.com/events/>

The next newsletter and prayer sheet will be distributed at the beginning of June

# JOSEPHITE COLLOQUIUM

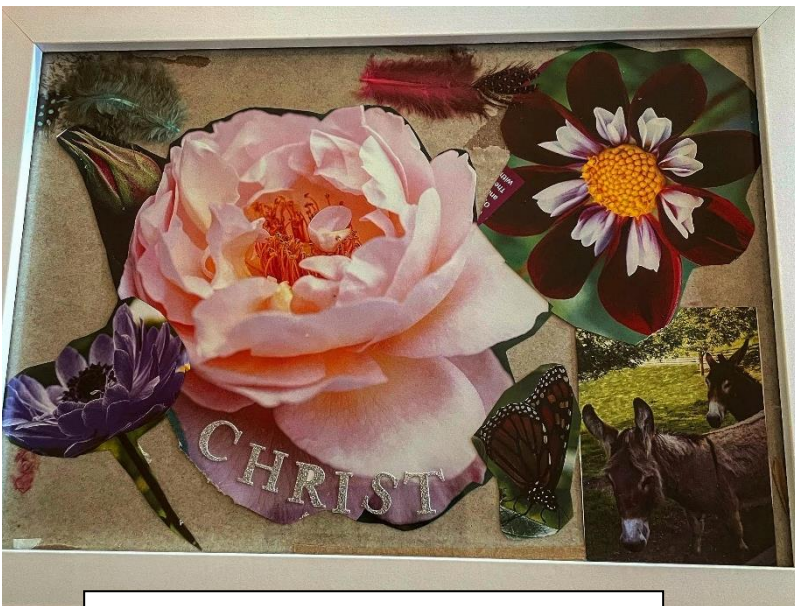

Thirty three people gathered at St Francis Friary in Auckland for a Josephite Colloquium. Most were from Josephite Schools in both North and South Islands. There were others from Josephite ministries- Quinlan Court and Mary MacKillop Centre and some from parish ministries. The Friary provided an excellent place to meet with walks possible in the grounds and in Monte Cecilia Park next door.

The characters in the Josephite story were explored – Joseph, Mary MacKillop and Julian Tenison Woods. The Josephite Companions told of their way of being Josephite in their daily lives.

Everyone went to Mary MacKillop Centre in Mission Bay and looked at the archives and chapel. Some of the Sisters who live there gathered with the participants. Then Sister Moya cooked some delicious soup and buns for tea.

On day two, ways of raising our consciousness of love and bringing what we have to our ministry were explored. The final activity was to design a poster to encapsulate the heart of each person's Josephite ministry.

One participant wrote

I just wanted to say a big thank you to you all who were involved for the wonderful couple of days at St Francis. I learnt so much about the sisters and their mission.

I also loved meeting you all and seeing your faith and strength in action. I feel like a fellow Josephite! It was a time truly filled with the spirit.
