

O Radiant Dawn

Splendour of eternal light

Sun of justice

Come and shine

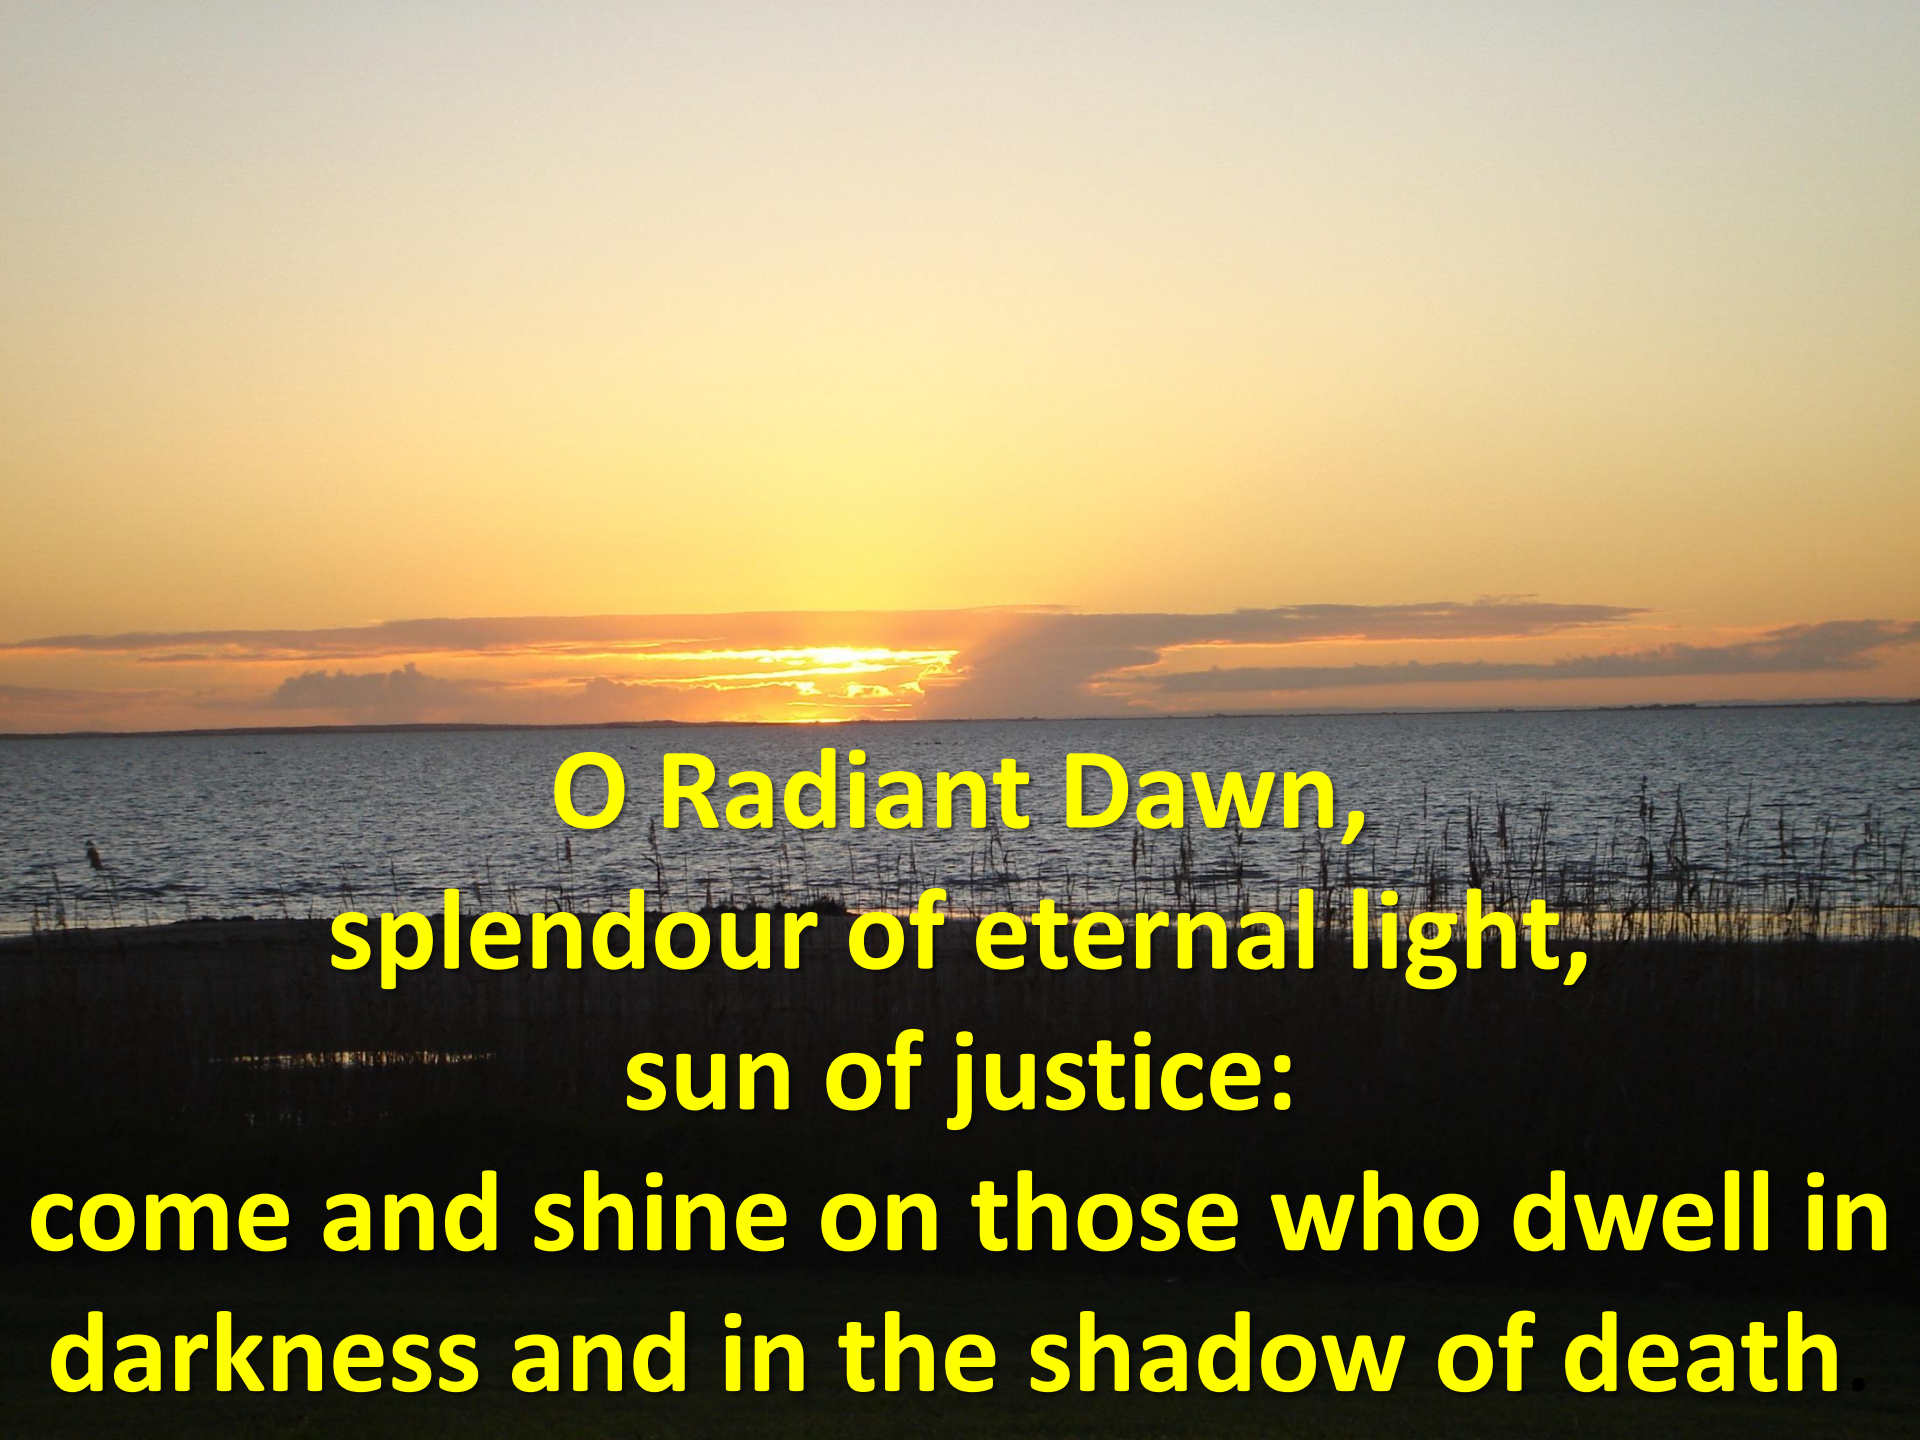

A photograph of a sunset over a body of water. The sun is low on the horizon, partially obscured by clouds, creating a bright orange and yellow glow in the sky. The water is dark blue with some ripples. In the foreground, there is a dark, silhouetted area that appears to be a beach or a field of tall grass.

**Come and shine
on those who dwell
in darkness**

**Come and shine on those
who dwell in darkness
and in the shadow of death**

**O Radiant Dawn,
splendour of eternal light,
sun of justice:**

**come and shine on those who dwell in
darkness and in the shadow of death.**

O King of all nations

**Keystone
of the Church**

A close-up, low-angle shot of a person's hand reaching up towards a bright, glowing light source, possibly a window or a fire, with a warm, reddish-orange color cast. The hand is positioned in the lower left, with fingers spread, reaching towards the light. The background is a soft, out-of-focus glow of light, with some darker, textured elements visible in the upper left corner. The overall mood is one of hope, longing, or seeking help.

Come and save us

**Come and save us,
whom you formed from the dust!**

**O King of all nations and
keystone of the Church:
come and save us,**

whom you formed from the dust!
