# Safeguarding Complaints Handling Policy and Reporting Procedure 

## Sisters of Saint Joseph of the Sacred Heart

## Mission Statement

The Sisters of Saint Joseph of the Sacred Heart continue God's mission by immersing themselves in the midst of life to empower others and bring hope.

## Complaints Handling Policy

## 1. Introduction

1.1 The Sisters of Saint Joseph of the Sacred Heart (SOSJ) take all allegations of child abuse and child safety complaints seriously.
1.2 SOSJ has a zero tolerance of child abuse. It will be guided by its Child Safeguarding Commitment Statement and broader values and strategic vision.
1.3 This document sets out SOSJ's policy for managing child safety complaints and the procedure that Workplace Participants and SOSJ must follow in relation to reporting and responding to child safety complaints.

## 2. Scope

2.1 Everyone is responsible for creating and maintaining a child safe culture.
2.2 This policy applies to every person in relationship with SOSJ including Congregational Leadership, Sisters in nominated roles, lay employees, clergy in nominated roles, and formal volunteers (Workplace Participants). This policy also applies to Sisters, Josephite Affiliates, Advisory committee members and Child Safeguarding committee members. It should be read in conjunction with SOSJ's Child Safeguarding Policy and the Child Safeguarding Code of Conduct.
2.3 A 'complaint' includes any allegation, suspicion, concern, disclosure, or report:
(a) of a breach of SOSJ's Child Safeguarding Code of Conduct or other Safeguarding policy or procedure;
(b) that any person included at 2.2 of this policy, has engaged in child abuse or inappropriate behaviour towards a child (regardless of whether the child is associated with SOSJ);
(c) about, or relating to, child abuse in an institutional context;

(d) regarding abuse between two or more children associated with SOSJ;
(e) of historical allegations of child abuse; and
(f) regarding alleged abuse towards a child associated with SOSJ.
2.4 A complaint can be made by anyone - including a child, adult survivor, parent, trusted adult, independent support person, community member or any person included at 2.2 of this policy (complainant).

## 3. Principles

3.1 SOSJ takes all child safety complaints seriously and will respond to each complaint in accordance with this policy and the relevant procedure.
3.2 Any person who in good faith, raises a complaint or discloses an allegation of child abuse will not be disadvantaged or prejudiced and will be protected from victimisation. Reports will be dealt with in a timely and confidential manner.
3.3 SOSJ and persons listed at 2.2 of this policy will be guided by the following principles:
(a) the safety of all children will be the upmost priority when responding to any child safety complaints;
(b) it is difficult for all individuals, particularly children, to disclose abuse and an appropriate response to any disclosure is critical for the recovery process of a survivor;
(c) it is important that SOSJ and all persons listed at 2.2 of this policy reduce barriers that are in place for individuals who disclose, such as by publicising information on how to raise concerns, providing different pathways and allowing different methods of raising concerns;
(d) SOSJ will support any person listed at 2.2 of this policy who makes a complaint or report regarding suspected child abuse and state that they do not need SOSJ's consent to make an external report;
(e) in responding to complaints, persons listed at 2.2 of this policy and SOSJ, will pay particular attention to the needs of First Nations children, children with disability, and children from culturally and linguistically diverse backgrounds, those who are unable to live at home, and children with diverse needs;
(f) when responding to complaints, SOSJ will be mindful of any conflicts of interests that may exist; and
(g) SOSJ will investigate any complaints in accordance with the principles of natural justice and procedural fairness.

5.1 This section sets out the process persons listed at 2.2 of this policy and SOSJ will follow when a child safety complaint is received.

## Step One - First Response

5.2 When a person listed at 2.2 of this policy becomes aware of a complaint through a disclosure, the person must be mindful of their first response. They should:
(a) let the complainant use their own words to explain what has occurred;
(b) reassure them that you take what they are saying seriously, and it is not their fault and that they are doing the right thing;
(c) do not leave them in a distressed state. If they seem at ease in your company stay with them, otherwise get support from the Congregational Safeguarding Co-ordinator;
(d) keep a clear written record of the conversation (either during if possible or immediately after);
(e) offer the child or adult complainant support or pastoral care as appropriate;
(f) if the complainant is the child survivor:
(i) try to separate them from other children discreetly and listen to them carefully;
(ii) If you believe that the child is at immediate risk of harm, do all within your legal power to ensure the child's immediate safety, such as calling 000. Explain to the child that this information may need to be shared with others, such as with their parent / care giver (if safe to do so), specific people in your organisation, or to regulatory authorities; and
(iii) do not make promises to the child such as promising not to tell anyone about the incident, except that you will do your best to keep them safe.
(g) refer to and comply with this policy and the relevant state-based procedure below.

## Step Two - Assess your reporting obligations

5.3 Persons listed at 2.2 of this policy must refer to the relevant state-based procedure below and assess whether they are a mandatory reporter and therefore required by legislation to make an external report to a regulatory authority.
5.4 SOSJ requires Workplace Participants and other persons listed within the scope of this policy, to report information pertaining to alleged child abuse, to

| Policy Name | Safeguarding Complaints Handling Policy and Reporting Procedure |  |  |

the relevant state based statutory child protection service, regardless of whether they are listed as a mandatory reporter.
5.5 Persons listed at 2.2 of this policy are encouraged to seek support from the Congregational Safeguarding Co-ordinator but are not required to do so before making a report.

Step Three - Internal report
5.6 As soon as possible after the disclosure, record the information using the complainant or survivor's words. Persons listed at 2.2 of this policy must then notify the Safeguarding Co-ordinator (if not already completed). The Safeguarding Co-ordinator will report to the Congregational Leader and advise the Child Safeguarding Committee as required.
5.7 If the complaint relates to alleged abuse by a person listed at 2.2 of this policy, this must immediately be reported to the Safeguarding Co-ordinator who will then escalate this to the Congregational Leader with a recommendation regarding whether a report needs to be made under any State or Territory Reportable Conduct Scheme.
5.8 The Safeguarding Co-ordinator will advise the Child Safeguarding Committee of the complaint. The Child Safeguarding Committee will provide a recommendation to the Congregational Leader whether a report needs to be made under any State or Territory Reportable Conduct Scheme.
5.9 The Safeguarding Co-ordinator, the Child Safeguarding Committee, and the Congregational Leader are to be conscious of and comply with the prescribed timeframes under the relevant State and Territory Reportable Conduct Schemes.
5.10 If the complaint relates to alleged abuse by the Safeguarding Co-ordinator and / or Professional Standards Officer, the Workplace Participant must immediately report this to the Congregational Leader.
5.11 Sisters and clergy are also obliged to follow the canonical reporting processes and procedures for complaints involving the alleged sexual abuse committed by a Sister, clergy, or other religious.
5.12 If the matter is a historical allegation (including under the National Redress Scheme) or involves a claim of compensation, or contacts the Professional Standards Officer directly, the Professional Standards Officer will advise the Congregational Leader and Child Safeguarding Committee of the complaint, and will respond to the matter promptly, ensuring all parties are regularly updated with the progress of the matter.

## Step Four - Initial risk assessment

5.13 The Safeguarding Co-ordinator will complete or support an initial risk assessment to identify and minimise any risk to children, the respondent and the proper investigation of the complaint. This will include considering and mitigating any conflicts of interest.
5.14 The risk assessment should be updated throughout the response and investigation process.
5.15 If the complaint or disclosure of child abuse involves allegations against a person listed at 2.2 of this policy, and there is a risk that the person may come into contact with children, the Safeguarding Co-ordinator must immediately notify the Workplace Participant's Leader or Manager, and / or Regional Leader or Congregational Leader.
5.16 The Leader or Manager, or Regional Leader, or Congregational Leader, must then remove the accused person from active duty, which could entail standing down (with pay, where applicable), re-assignment to other duties that do not have direct contact with children, or to work under increased supervision while the matter is being investigated. This decision will be made in consultation with the Manager, People and Culture, and consider the advice of the Safeguarding Co-ordinator / Professional Standards Officer, and the Child Safeguarding Committee as required with the safety of children as the guiding factor.
5.17 Complaints against Workplace Participants will be managed with reference to the Managing Underperformance and Disciplinary Policy.

## Step Five - Internal investigations

5.18 All persons listed at 2.2 of this policy and SOSJ will cooperate with any investigation by a regulatory authority. No internal investigation or interview will commence until clearance has been provided by the relevant state regulator and / or police.
5.19 Once clearance has been provided, SOSJ may investigate allegations relating to an incident of abuse in accordance with its obligations and to the extent reasonably practicable. In some circumstances, it may be necessary for SOSJ to conduct an investigation in addition to any investigation conducted by authorities (e.g. under state Reportable Conduct Schemes).
5.20 All persons listed at 2.2 of this policy must co-operate fully with any internal investigation by SOSJ.
5.21 SOSJ will make every effort to keep any investigation confidential; however, from time-to-time other people may need to be consulted in conjunction with the investigation (e.g. to provide witness statements). SOSJ will ensure that any conflicts of interest are considered and managed.

| Policy Name | Safeguarding Complaints Handling Policy and Reporting Procedure |  |  |

| Version | v.2.1 | Approved by the Congregational <br> Leadership Team on | December <br> 2021 |
| Responsible person | Safeguarding Co-ordinator | Scheduled review date | February <br> 2024 |

5.22 An investigation conducted by SOSJ will be conducted in accordance with procedural fairness to protect the integrity of the investigation and the interests of all the participants involved in the investigation. Any person listed at 2.2 of this policy who is implicated in a complaint will be given an opportunity to respond.
5.23 In some circumstances, it may be appropriate for SOSJ to engage a person (or persons) from outside SOSJ to conduct an independent investigation or provide advice in relation to allegations, such as a legal representative.
5.24 Following any internal investigation, findings and recommendations should be made. SOSJ will assess whether the allegation is substantiated on the balance of probabilities and if any substantiated allegations amount to a breach of its Child Safeguarding Code of Conduct or any other policy or procedure. The complainant will be notified of the outcome.
5.25 Where a complaint related to child sexual abuse against a SOSJ Sister is substantiated, they will be removed from ministry. If a Sister or individual participating in formation is convicted of an offence relating to child sexual abuse, the Sister will be permanently removed from ministry and will not be permitted to hold themselves out as being a person with religious authority. SOSJ may also refer the complaint to the relevant dicastery. Where a complaint related to child sexual abuse against an individual participating in formation is substantiated, the formation process will be discontinued, and the complaint referred to the local civil authority and relevant child protection agency
5.26 Following any investigation, an updated risk assessment should be undertaken to ensure risks to children are managed.
5.27 SOSJ has full discretion to put in place safety management plans or take disciplinary action (including increased supervision, disciplinary action, dismissal or summary dismissal) where it forms a reasonable belief that it is not safe for a person listed at 2.2 of this policy, to interact with children in accordance with its duty of care.

## Step 6 - Support and communication with complainant

5.28 As part of SOSJ's duty of care and commitment to pastoral care, SOSJ will provide support to children impacted by abuse. This may include:
(a) observing and monitoring the child's behaviour;
(b) referring the child to support and pastoral care where appropriate;
(c) arranging a support person for the child; and
(d) liaising with appropriate professionals.

c) referring the respondent to counselling and / or pastoral care where appropriate;

5.34 SOSJ will remain in regular contact with the respondent and ensure that the respondent is kept informed of the progress of the investigation as appropriate.
5.35 SOSJ will inform the respondent in writing of the outcomes of the investigations and also inform the respondent of their right to a review.

## Step 8 - Evaluation

5.36 The Congregation will be notified as needed and policies and procedures may need to be reviewed.
5.37 A final risk assessment should be undertaken to ensure risks to children are managed.
