Availability of Spiritual Direction

This program is designed for women and men religious, who have recently retired from full time active ministry or intend retiring from such in the near future.

With good input from a variety of Australia-based presenters and Sr Pat Farrell osf from the United States, time for silence and contemplation, relaxation and optional activities and the company of peers, participants will have every opportunity to be nourished to embark on the next stage of their journey in the heart of God and to imagine new, and perhaps unanticipated, but real opportunities for engagement in the Mission of God – the shore of new invitation.

Sr Pat Farrell osf is a Sister of St. Francis of Dubuque. Pat has served as president of the Leadership Conference of Women Religious (LCWR) and as vice president in her congregation’s leadership. While her early ministries included teaching in

high schools and parishes in the U.S., she felt called to serve in Latin America as a missionary. In 1980, Pat began her service in Chile during Augusto Pinochet’s violent dictatorship. Her ministry was in a parish and then part of the nonviolent resistance movement. In 1986 Pat went to El Salvador, worked in a refugee and as a peacemaker and bridge-builder between Salvadorans divided into factions of the rebel movement.
